## Topic

This term, our learning will be guided by a range of carefully chosen books, with each story helping to shape our activities and discussions for the week. We will have a strong focus on weather, seasonal changes and big feelings, linking what we read to what we can see and experience around us.

Alongside this, we will continue to develop important social skills such as playing nicely with friends and taking turns. Communication will be a key focus across all areas of learning, with lots of opportunities for talking and listening.
