

PWLL AUTISM TEACHING FACILITY - CLASS 2

WELCOME TO OUR SUMMER TERM NEWSLETTER!

Hope you all had a lovely Easter break! The children have all settled back in really well which is lovely to see.

We have had a slight change to staffing this term. The children will continue to be supported by, Mrs Rees, Miss Collins, Miss Beer and myself Miss Nicola Lewis as Class teacher. Mrs Griffiths Has moved to us from class 3, and is really excited to be back with us in class 2.

We continue to have a supply and have been lucky enough to get some good regular supply.

We also have Mrs Ring who teaches in our class on a Wednesday whilst I am out on ALN time.

I have attached a meet the staff page on the back of this (as many parents have asked as they don't know staff faces) We are also awaiting a new staff member to be able to start so have a supply temporarily whilst we wait on them starting, will keep you posted on this.

Our theme for this half term is splash and then it will be at the beach.

Just a few notes for you.

- ✓ Could we please have a spare set of clothes for pupils to either keep in school or they can be keep in the children's school bag if you prefer.
- ✓ We will be carrying out food tasting / cooking sessions. **The sessions are designed to allow us to work on increasing the children's willingness to try new foods and in turn to expand on their diets.**
We kindly ask for **£1 a week** to cover the costs of our food tasting sessions. If possible could payments be made on a Termly / half termly basis to make it easier to keep on top of payments. All payments are to be made on Parent Pay / cash if easier for yourselves (ATF food tasting). If you have any difficulties with this please let me know and I can call you to discuss. This term is 6 weeks and then a further 7 weeks up until Easter so £13 total this term. I will inform you this week of any outstanding amounts from last term.
- ✓ PE sessions will now be on a Wednesday. Could children please wear joggers / leggings / shorts and trainers on a Wednesday.
- ✓ Outdoor learning and natural environment teaching will continue to play a big part in our learning experiences.
- ✓ As the weather is getting hotter! Which is lovely and the children all really enjoy, Could I ask you to apply sunscreen before school and send in a sun cream that can be kept in school so that we can reapply during the day. As well as a sun hat if the children will wear one.

If you have any queries please feel free to email me nicola.lewis@pwll.ysgolccc.cymru send me a message on class dojo or call the school on 01554 773962.
