

PWLL AUTISM TEACHING FACILITY

CLASS 2

WELCOME TO OUR AUTUMN TERM NEWSLETTER!

I would like to welcome all the children back to a new school year!

This year we welcome 4 new pupils to our class. Cooper Andrews and Sienna Jones who both move to us from mainstream classes in Pwll.

Noah Mahoney and Theo Williams who are both new to the school and have waited a long time to start with us so its very exciting to finally be able to welcome them all into the ATF.

This term the children will be supported by, Mrs Rees, Mrs Griffiths, Miss Beer, Miss Simpson, Mrs Laws and myself Miss Nicola Lewis as Class teacher.

Mrs Ring will be in our class each Wednesday to cover my ALN duties.

Just a few notes for you.

- ✓ Could we please have a spare set of clothes for pupils to either keep in school or they can be keep in the children's school bag if you prefer. (if these have not already been sent in)
- ✓ We will be carrying out food tasting / cooking sessions. **The sessions are designed to allow us to work on increasing the children's willingness to try new foods and in turn to expand on their diets.**
We kindly ask for **£1 a week** to cover the costs of our food tasting sessions. Could payments be made on a half termly / termly basis to make it easier to keep on top of payments. All payments can be made on Parent Pay (ATF food tasting). If you have any difficulties with this please let me know and we can make arrangements for this to be paid in cash.
This term is 7 weeks and then a further 7 weeks up until Christmas, so £14 in total.
- ✓ PE sessions will now be on a Wednesday - could children please wear trainers on this day.
- ✓ Outdoor learning and natural environment teaching will continue to play a big part in our learning experiences. As the weather is quite unpredictable can I please ask that the children are sent in with an appropriate coat and as it gets colder hats / gloves as appropriate. Along with some Wellies and some waterproofs as we will be going out whatever the weather.
- ✓ We will be resuming our educational visits this year. Any visit will be fully risk assessed prior to the visit and you will be informed prior to the visit.

If you have any queries please feel free to email me nicola.lewis@pwll.ysgolccc.cymru send me a message on class dojo or call the school on 01554 773962.

Miss Nicola Lewis
